

Privacy Policy

Effective Date: 12-02-2026

The app respects your privacy. This Privacy Policy explains how your data is handled while using our app.

Data Collection

Our app does not collect, store, or share any personal information.

All data generated by using the app (e.g., your activity, settings) is stored locally on your device only.

Data Usage

Data stored on your device is used solely to enhance your experience within the app.

We do not send any data to servers or third-party services.

Third-Party Services

This app does not integrate ads, analytics, or third-party services that collect user data.

Security

All data remains on your device. We recommend keeping your device secure.

Changes to This Policy

We may update this policy if app features change. Any changes will be reflected here.
